GENERAL MEETING OF THE BOARD OF DIRECTORS OF THE CENTRAL TEXAS REGIONAL MOBILITY AUTHORITY

RESOLUTION NO. 17-027

ACCEPT THE FINANCIAL STATEMENTS FOR APRIL 2017

WHEREAS, the Central Texas Regional Mobility Authority ("Mobility Authority") is empowered to procure such goods and services as it deems necessary to assist with its operations and to study and develop potential transportation projects, and is responsible to insure accurate financial records are maintained using sound and acceptable financial practices; and

WHEREAS, close scrutiny of the Mobility Authority's expenditures for goods and services, including those related to project development, as well as close scrutiny of the Mobility Authority's financial condition and records is the responsibility of the Board and its designees through procedures the Board may implement from time to time; and

WHEREAS, the Board has adopted policies and procedures intended to provide strong fiscal oversight and which authorize the Executive Director, working with the Mobility Authority's Chief Financial Officer, to review invoices, approve disbursements, and prepare and maintain accurate financial records and reports; and

WHEREAS, the Executive Director, working with the Chief Financial Officer, has reviewed and authorized the disbursements necessary for the month of April 2017, and has caused Financial Statements to be prepared and attached to this resolution as <u>Exhibit A</u>.

NOW THEREFORE, BE IT RESOLVED, that the Board of Directors accept the Financial Statements for April 2017, attached as Exhibit A.

Adopted by the Board of Directors of the Central Texas Regional Mobility Authority on the 31st day of May 2017.

Submitted and reviewed by:

Jeoffrey Petroy General Counsel

Approved:

Ray A Wilkerson

Chairman, Board of Directors

Definition of Weighted Average Maturity (1) & (2)

105 Days

- (1) This weighted average maturity calculation uses the SEC Rule 2a-7 definition for stated maturity for any floating rate instrument held in the portfolio to determine the weighted average maturity for the pool. This Rule specifies that a variable rate instrument to be paid in 397 calendar days or less shall be deemed to have a maturity equal to the period remaining until the next readjustment of the interest rate.
- (2) This weighted average maturity calculation uses the final maturity of any floating rate instruments held in the portfolio to calculate the weighted average maturity for the pool.
 - * The maximum management fee authorized for the TexSTAR Cash Reserve Fund is 12 basis points. This fee may be waived in full or in part in the discretion of the TexSTAR co-administrators at any time as provided for in the TexSTAR Information Statement.

New Participants

We would like to welcome the following entities who joined the TexSTAR program in April:

★ Fort Bend County ESD 5

Rates reflect historical information and are not an indication of future performance.

★ Fort Bend County LID 17

★ Harris County MUD 62

Holiday Reminder

In observance of **Memorial Day, TexSTAR will be closed on Monday, May 29, 2017.** All ACH transactions initiated on Friday, May 26th will settle on Tuesday, May 30th. Notification of any early transaction deadlines on the business day preceding this holiday will be sent by email to the primary contact on file for all TexSTAR participants. Please plan accordingly for your liquidity needs.

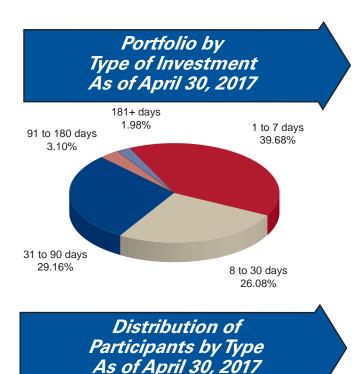

Economic Commentary

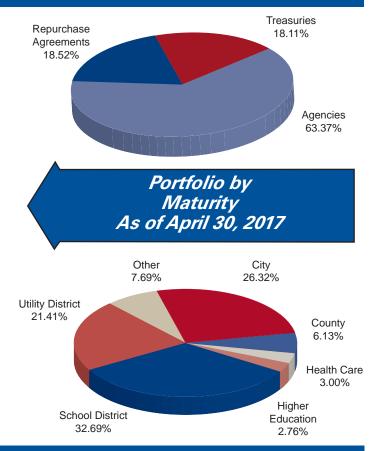

Interest rates were under pressure again during the month of April as discussion over the ability and timing of the Trump administration to implement fiscal policy reform continued. Q1 2017 growth slowed, as anticipated, however the growth backdrop for the rest of 2017 looks promising. With business and consumer confidence near cycle highs and realized investment spending already improving, in addition to any form of fiscal stimulus, the outlook for growth has significant upside. As we move through Q2, consumer spending should rebound, investment spending already accelerating, global growth remains firm and fiscal policy initiatives should become clearer. Consumption should continue to be the principal driver of the U.S. economy. Tighter labor markets, rising income, modest employment growth and rising net worth should all continue to be supportive of consumption.

The Federal Reserve (Fed) did not meet in April, but communication from key Fed members continued to focus on the positive economic outlook, despite some softer data points. Balance sheet reduction has come into focus as changes to the Fed's reinvestment policy could come as early as this year according to Fed officials, but the details of the plan have yet to be revealed. In terms of the timing for the next federal funds rate increase, the committee has indicated that their objective is to continue to keep the pace of rate hikes "gradual". The median of the committee expects two additional rate hikes in 2017, as of the March 2017 meeting. However, if growth and inflation outperformed, financial conditions continued to ease or fiscal stimulus was enacted in the second half of 2017, the committee may become more anxious to move at a faster pace. We expect at least two more rates hikes in 2017. In addition, we expect the Fed to make an announcement to change the reinvestment policy of the balance sheet by year-end. Continued easing in financial conditions and further steady improvement in the labor market since the March FOMC has presented the Fed with the opportunity to raise rates again at the June meeting. President Trump will also be able to appointment three new Board of Governors, as well as a Vice Chair of Supervision, this year. These appointments are unlikely to make a major impact on monetary policy in 2017. However, when Chair Yellen's term is complete in 2018, the potential for a new Chair poses large risks for a major change in the Fed's approach to monetary policy going forward.

This information is an excerpt from an economic report dated April 2017 provided to TexSTAR by JP Morgan Asset Management, Inc., the investment manager of the TexSTAR pool.

TexSTAR versus 90-Day Treasury Bill

■TexSTAR Rate

■90 Day T-BILL Rate

This material is for information purposes only. This information does not represent an offer to buy or sell a security. The above rate information is obtained from sources that are believed to be reliable; however, its accuracy or completeness may be subject to change. The TexSTAR management fee may be waived in full or in part at the discretion of the TexSTAR co-administrators and the TexSTAR rate for the period shown reflects waiver of fees. This table represents historical investment performance/return to the customer, net of fees, and is not an indication of future performance. An investment in the security is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. Although the issuer seeks to preserve the value of an investment at \$1.00 per share, it is possible to lose money by investing in the security. Information about these and other program details are in the fund's Information Statement which should be read carefully before investing. The yield on the 90-Day Treasury Bill ("T-Bill Yield") is shown for comparative purposes only. When comparing the investment returns of the TexSTAR pool to the T-Bill Yield is taken from Bloomberg Finance L.P. and represents the daily closing yield on the then current 90-day T-Bill.
