<u>Investment Policy</u> - Texas Government Code §2256.005(e) requires the Board to, at least annually, review and either revise or reaffirm the Mobility Authority investment policy and strategy. The investment policy and strategy is located in Article 5 of Chapter 2 of the Mobility Authority Policy Code. This code establishes that "it is the policy of the authority to invest public funds in a manner which will provide the maximum security with the highest investment return while meeting the daily cash flow demands of the authority conforming to all state and local statutes governing investment of public funds". A copy of the current investment policy and strategy is included in the backup materials. No amendments are recommended with this review. Therefore, staff recommends affirming the current CTRMA Investment policy.
