Public Invited to Bergstrom Expressway Open House Meeting

(Austin, Texas) – The Texas Department of Transportation and the Central Texas Regional Mobility Authority will host an open house meeting for the Bergstrom Expressway Environmental Study on Tuesday, September 18th. Attendees will have the opportunity to review conceptual plans for the roadway, including bicycle and pedestrian paths and aesthetic enhancements. Information about the Environmental Study Process, including the noise analysis study that is currently underway, will also be available. Project staff and consultants will be available to answer questions, and attendees are encouraged to provide feedback. No formal presentation will be given, and attendees are invited to come and go at their convenience. Spanish interpretation and Spanish language materials will also be available.

- WHAT:** Bergstrom Expressway Open House Meeting
- WHO:** Mobility Authority and TxDOT officials, project planners and engineers
- WHEN:** Tuesday, September 18, 2012, 6 p.m. – 8 p.m.
- WHERE:** Delco Activity Center
4601 Pecan Brook Drive
Austin, Texas 78724
- MEDIA OPPS:** Interviews with project officials and community residents, plus visuals including maps and conceptual drawings

The Bergstrom Expressway Environmental Study began in late 2011. This is the first of four open house meetings to review solutions for addressing mobility in the US 183 corridor from US 290 to SH 71. The Environmental Study is scheduled for completion in 2014. For more information about the Bergstrom Expressway, visit www.BergstromExpressway.com.
