Community Invited to Review Concepts For Proposed Oak Hill Parkway

(Austin, Texas) – The Texas Department of Transportation (TxDOT) and the Central Texas Regional Mobility Authority (Mobility Authority) will host an open house meeting for the Oak Hill Parkway Study on Tuesday, October 22nd. This will be the first opportunity for the public to view a new concept developed at the request of some community stakeholders as well as a new braided ramp option that could be applied to some of the concepts. There will be a total of eight concepts and two options available for comment. Attendees have the opportunity to learn more about the study process and submit official comments. Project staff and consultants will be available to answer questions. No formal presentation will be given, and attendees are invited to come-and-go at their convenience. For more information visit www.OakHillParkway.com.

WHAT: Oak Hill Parkway Open House Meeting. The Environmental Study is a combined effort of the Mobility Authority and TxDOT to address traffic congestion at the intersection of US 290 and SH 71. The Study area is from Loop 1 to west of FM 1826 along US 290W and between Silvermine Drive and US 290W along SH 71
