## **US 183/US 290 Interchange Weekend Closure**

(Austin, Texas) – The US 183/US 290 interchange will be closed beginning at 10:00 pm this Friday to facilitate construction of the Manor Expressway flyover interchange. Construction crews are installing steel bridge beams above the two roadways in northeast Austin. Contingent on weather, the closure will begin at 10:00 pm on Friday, February 17, 2012 and last until Monday, February 20, 2012 at 6:00 am.

During the closure, drivers will be detoured onto the frontage roads and could face delays. Anyone heading to Bergstrom International Airport is encouraged to leave early or use an alternate route. More than 20 police officers will be onsite to manage traffic signals and keep traffic moving as smoothly and safely as possible.
