## **Toll Rates Changing on 183A Expressway**

**(Austin, Texas)** – The Central Texas Regional Mobility Authority will increase tolls on the 183A Expressway by 1.52% effective January 1, 2014. This inflation-based adjustment will add eight cents to the cost of a full-length trip on 183A for customers with TxTag. The increase at individual tolling locations will vary. The Lakeline Main Plaza will increase from \$0.51 to \$0.52, the Crystal Falls Main Plaza will increase from \$0.97 to \$0.99 and the Park Street Main Plaza will increase from \$1.38 to \$1.40. Rates for Pay by Mail customers will increase by 1.99%.

The increase is part of a Mobility Authority policy that adjusts rates annually in line with inflation to avoid larger increases every five years.

The toll rates on the Manor Expressway (290 East) will not increase on January 1. Those toll rates will be adjusted later in 2014 when the entire length of the Manor Expressway is open to traffic, in accordance with the toll charge schedule adopted by the Mobility Authority Board of Directors.

For more information about the new toll rates, visit the Traveler Information page at [www.mobilityauthority.com](http://www.mobilityauthority.com).

### **About the Mobility Authority**

The Central Texas Regional Mobility Authority is a local, independent government agency created to improve the regional transportation system. Our mission is to implement innovative solutions that reduce congestion and create transportation choices that enhance quality of life and economic vitality. The Mobility Authority is the state's first regional mobility authority, created in January 2003 to serve Travis and Williamson counties. The Mobility Authority currently operates the 183A toll road in Williamson County and is currently working to construct phase two of the US 290 East (Manor Expressway) project and construct new express lanes on MoPac (Loop 1).
