Regional Mobility Authority**

AGENDA ITEM #4 SUMMARY

Authorize issuance of a request for qualifications for additional firms interested in providing investment banking services for the Mobility Authority.

Strategic Plan Relevance:	Regional Mobility
Department:	Finance
Associated Costs:	None
Funding Source:	N/A
Board Action Required:	Yes

Description of Matter: The Mobility Authority has procured investment banking services by creating a pool of investment banking firms selected in 2003 and revised from time to time (most recently in January, 2014) from firms responding to procurements (a request for qualifications) authorized by board resolution.

This item authorizes the issuance of a request for qualifications to solicit additional investment banking services from firms that are not currently included in the pool of authorized investment banking firms. Investment banking firms on the approved list will remain on that list and will not be required to respond; this RFQ is issued to provide the opportunity for additional firms to be identified and qualified for the investment banking pool. After reviewing and analyzing the response, staff will make a recommendation to the board for board action to add the qualified firms to the pool.
