About MoveFWD, A Workforce Collaborative of Central Texas

MoveFWD is a unique life skills program that combines workforce training, job placement, and social services support to help people who are disadvantaged achieve life-changing, long-term employment. The Mobility Authority created this comprehensive program to identify and prepare candidates for skilled positions within the roadway construction and customer service industries, and give candidates the tools they need to achieve economic independence and establish a better quality of life. The program launched in 2018 in partnership with Travis County, Workforce Solutions, Goodwill, Austin Community College, Texas Department of Criminal Justice Reentry and Integration, and the City of Austin.
