

**GENERAL MEETING OF THE BOARD OF DIRECTORS  
OF THE  
CENTRAL TEXAS REGIONAL MOBILITY AUTHORITY**

**RESOLUTION NO. 23-018**

**APPROVE A SETTLEMENT AGREEMENT WITH COLORADO RIVER  
CONSTRUCTORS RELATED TO THE 183 SOUTH PROJECT**

WHEREAS, on July 29, 2015, the Central Texas Regional Mobility Authority ("Mobility Authority") and Colorado River Constructors ("CRC"), an unincorporated joint venture between Fluor Enterprises, Inc. and Balfour Beatty Infrastructure, Inc., entered into a design-build contract ("D/B Contract") for the development of a toll road and related roadway improvements on existing US 183 extending approximately eight (8) miles from US 290 to SH 71 in Austin, Texas (the "183 South Project"); and

WHEREAS, CRC has made certain claims for additional compensation and schedule relief arising from the parties' responsibilities, obligations and liabilities related to the 183 South Project, including but not limited to impacts to the project schedule resulting from delays in utility permitting; and

WHEREAS, pursuant Section 25 of D/B Contract, the parties submitted the claims to a disputes board, a formal hearing was held on February 8-9, 2022, and the disputes board issued its findings and recommendations on March 8, 2022; and

WHEREAS, by Resolution No. 22-038 dated August 31, 2022, and Resolution No. 22-045 dated September 28, 2022, the Board approved the First and Second Amendments to the D/B Contract to revise the dispute resolution procedures and allow the parties additional time to attempt to negotiate a settlement of CRC's claims; and

WHEREAS, to avoid potential costs, burdens, uncertainties, and distractions of future litigation, the Executive Director and CRC have reached an agreement settling the disputes; and

WHEREAS, additional actions, including the issuance of a change order, will be necessary to give effect to the settlement; and

WHEREAS, the Executive Director recommends that the Board of Directors approve the settlement agreement with CRC attached hereto as Exhibit A and authorize him to take all such actions as necessary to give effect to the terms of the settlement agreement.

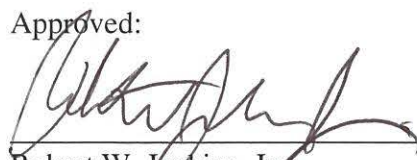

NOW THEREFORE, BE IT RESOLVED that the Board of Directors hereby approves the settlement agreement with Colorado River Constructors attached hereto as Exhibit A and authorizes the Executive director to take all such actions as necessary to give effect to the terms of the settlement agreement.

Adopted by the Board of Directors of the Central Texas Regional Mobility Authority on the 26<sup>th</sup> day of June 2023.

## SETTLEMENT AGREEMENT

Whereas, the Central Texas Regional Mobility Authority (“CTRMA”) and Colorado River Constructors, an unincorporated joint venture between Fluor Enterprises, Inc. and Balfour Beatty Infrastructure, Inc. (collectively “CRC”)(CRC and CTRMA are collectively “Parties”) entered into a Design/Build Contract dated July 29, 2015 (“D/B Contract”) for the design and construction of a toll road and related roadway improvements on existing US 183 extending approximately 8 miles from US 290 to SH 71 in Austin, Texas (“Project”). Unless otherwise defined in this Settlement Agreement, capitalized terms in this Settlement Agreement, except where used in headings, shall have the meaning set forth in the D/B Contract.

Whereas, disputes have arisen between the Parties regarding the D/B Contract.

Whereas, the Parties desire to settle, compromise, and resolve all disputes arising out of or related to the D/B Contract and the Project, except as noted herein.

Whereas, this Settlement Agreement is expressly contingent on final approval by TxDOT and FHWA of: (1) the payments to be made under this Settlement Agreement and (2) any change orders required to effectuate the terms of this Settlement Agreement.

NOW, THEREFORE, in consideration of the payment, mutual releases, representations and warranties, and other obligations set forth in this Settlement Agreement, the adequacy and sufficiency of which consideration is hereby acknowledged, the Parties agree as follows:

1. **Payment Terms.** In consideration of the full and final release by CRC of all claims that CRC asserted or could have asserted arising out of or related in any way to the D/B Contract and the Project, CTRMA shall pay to CRC \$30 million within 30 days of the submittal of a draw request following authorization by TxDOT/FHWA to release Project funds as evidenced by the execution of Change Order No. 42. The \$30 million comes from (i) an increase in the Design/Build Price in the amount of \$10 million, and (ii) CTRMA’s waiver and release of liquidated damages in the amount of \$20 million.
2. **CTRMA Retention of Funds.** CTRMA will be entitled to keep: (1) \$845,000 of retainage in full satisfaction of CRC’s failure to achieve the D/B Contract performance specifications for ride quality; (2) \$450,000 of retainage for closure of lanes outside of the D/B Contract specifications; and (3) \$886,750 of retainage (“Retainage Holdback”) to cover the cost of completing the work not performed by CRC as specifically identified on Exhibit “A” hereto (“Completion Work”). The Retainage Holdback is capped meaning under no circumstances will CTRMA be entitled to recover from CRC an amount in excess of the Retainage Holdback if the cost of the Completion Work exceeds such amount.
3. **Release of Retainage and Lane Rental Bank Funds.** Within 30 days of the submittal of a draw request following CRC’s submission of any Project documents required by TxDOT/FHWA prior to Final Acceptance, including the documents identified on Exhibit “B” hereto, CTRMA will release to CRC (1) \$1,818,250 of the \$4,000,000

- remaining in retainage (“Retainage Payment”) and (2) the remaining Lane Rental Bank Balance in the amount of \$2,994,250 (“Lane Rental Balance”).
4. Full and Final Release. Except as provided in Paragraph 5 below, CRC releases and waives any and all claims against CTRMA arising out of or relating to the D/B Contract or the Project, including any pass-through claim by a CRC subcontractor, known or unknown or that could have been known that CRC has or may have in connection with the Project. Except as provided in Paragraph 5 below, CTRMA releases and waives any and all claims against CRC arising out of or relating to the D/B Contract or the Project.
  5. Reservation of Claims and Defenses. Notwithstanding anything otherwise contained in this Settlement Agreement, the Parties each retain all claims for contribution and all affirmative defenses, counterclaims, and third-party claims against each other in response to any timely filed action that may be brought against any of the Parties by any third party for personal injury or property damage arising out of the Project to the extent such claims are permitted by the D/B Contract under applicable law. Except as noted below or previously disclosed in writing, the Parties expressly represent that they are unaware of any such personal injury or property damages claims as of the date of the Settlement Agreement and are reserving their rights solely in the event such claim is made in the future. The Parties acknowledge they are aware of a crash that occurred on April 25, 2022, in the southbound lanes of US183 resulting in a fatality. As of the execution of this Settlement Agreement, no claims have been asserted against the Parties arising out of that crash. Further, notwithstanding any other provision in this Settlement Agreement, CTRMA is not releasing any claims that may arise in the future against CRC for latent defects or for claims based on breach of express warranties, and CRC is not releasing any defense to same. Other than the work identified in Paragraph 2, CTRMA represents that it has no current knowledge of any breach of warranty, latent defects, or other claims that are reserved herein.
  6. Warranty Term. The Parties agree that the warranty period for the Interim Design/Build Work began on August 1, 2019 and the warranty period for the remaining work began on May 27, 2021.
  7. Additional Cooperation, Action, and Documents. The Parties agree to cooperate fully and to execute all supplementary or additional documents appropriate to carry out the intent of this Settlement Agreement and to take any additional actions that may be necessary or appropriate to give full force and effect to the terms and provisions of this Settlement Agreement.
  8. No Admission of Liability. By entering into this Settlement Agreement, neither CTRMA nor CRC admit any fault in connection with any of the disputes between the Parties.
  9. Tax Liability and Attorney Fees. The Parties make no representations regarding the Federal or State tax consequences of any of the payments referred to herein and shall not

- be responsible for any tax liability, interest or penalty incurred by the other Party, which in any way arises out of or related to said payment. The Parties understand and agree that each party shall bear its own attorneys' fees and costs in connection with this matter.
10. **Advice of Counsel.** By execution of this Settlement Agreement, each of the Parties expressly acknowledges it has executed the same freely and voluntarily and that it has had the opportunity to seek and obtain advice of counsel, accountants and financial advisors of its choice, regarding the effect of the execution and delivery of this Settlement Agreement. Each party agrees that it has had adequate opportunity to investigate and assess all facts and circumstances relevant to the decision to enter into this Settlement Agreement and is not relying on any express or implied representation, warranty or promise except as expressly contained in this Settlement Agreement.
  11. **Governing Law.** This Settlement Agreement shall be governed by the laws of the State of Texas, as applied to agreements executed and services performed entirely in Texas. In any legal action relating to this Settlement Agreement, the Parties and their affiliates, agree and consent to the exercise of, and submit themselves to, the jurisdiction of State District Court of Travis County, Texas.
  12. This Settlement Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Counterparts may be delivered via facsimile, electronic mail (including portable document format (PDF) or any electronic signature complying with the United States Electronic Signatures in Global and National Commerce (ESIGN) Act of 2000, e.g. [www.docusign.com](http://www.docusign.com)) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

**GENERAL MEETING OF THE BOARD OF DIRECTORS  
OF THE  
CENTRAL TEXAS REGIONAL MOBILITY AUTHORITY**

**RESOLUTION NO. 23-019**

**PROHIBITING THE OPERATION OF CERTAIN MOTOR VEHICLES  
ON MOBILITY AUTHORITY TOLL FACILITIES PURSUANT TO  
THE HABITUAL VIOLATOR PROGRAM**

WHEREAS, Transportation Code, Chapter 372, Subchapter C, authorizes toll project entities, including the Central Texas Regional Mobility Authority (Mobility Authority), to exercise various remedies against certain motorists with unpaid toll violations; and

WHEREAS, Transportation Code §372.106 provides that a “habitual violator” is a registered owner of a vehicle who a toll project entity determines:

- (1) was issued at least two written notices of nonpayment that contained:
  - (A) in the aggregate, 100 or more events of nonpayment within a period of one year, not including events of nonpayment for which: (i) the registered owner has provided to the toll project entity information establishing that the vehicle was subject to a lease at the time of nonpayment, as provided by applicable toll project entity law; or (ii) a defense of theft at the time of the nonpayment has been established as provided by applicable toll project entity law; and
  - (B) a warning that the failure to pay the amounts specified in the notices may result in the toll project entity’s exercise of habitual violator remedies; and
- (2) has not paid in full the total amount due for tolls and administrative fees under those notices; and

WHEREAS, the Mobility Authority previously determined that the individuals listed in Exhibit A are habitual violators, and these determinations are now considered final in accordance with Transportation Code, Chapter 372, Subchapter C; and

WHEREAS, Transportation Code §372.109 provides that a final determination that a person is a habitual violator remains in effect until (1) the total amount due for the person’s tolls and administrative fees is paid; or (2) the toll project entity, in its sole discretion, determines that the amount has been otherwise addressed; and

WHEREAS, Transportation Code §372.110 provides that a toll project entity, by order of its governing body, may prohibit the operation of a motor vehicle on a toll project of the entity if:

- (1) the registered owner of the vehicle has been finally determined to be a habitual violator; and

(2) the toll project entity has provided notice of the prohibition order to the registered owner; and

WHEREAS, the Executive Director recommends that the Board prohibit the operation of the motor vehicles listed in Exhibit A on the Mobility Authority's toll roads, including (1) 183A Toll; (2) 290 Toll; (3) 71 Toll; (4) MoPac Express Lanes; (5) 45SW Toll; and (6) 183 Toll.

NOW THEREFORE, BE IT RESOLVED that the motor vehicles listed in Exhibit A are prohibited from operation on the Mobility Authority's toll roads, effective June 26, 2023; and

BE IT FURTHER RESOLVED that the Mobility Authority shall provide notice of this resolution to the individuals listed in Exhibit A, as required by Transportation Code §372.110; and

BE IT IS FURTHER RESOLVED that the prohibition shall remain in effect for the motor vehicles listed in Exhibit A until the respective habitual violator determinations are terminated, as provided by Transportation Code §372.110.

Adopted by the Board of Directors of the Central Texas Regional Mobility Authority on the 26<sup>th</sup> day of June 2023.

**MEETING OF THE BOARD OF DIRECTORS  
OF THE  
CENTRAL TEXAS REGIONAL MOBILITY AUTHORITY**

**RESOLUTION NO. 23-020**

**ACCEPT THE FINANCIAL STATEMENTS FOR MAY 2023**

WHEREAS, the Central Texas Regional Mobility Authority (Mobility Authority) is empowered to procure such goods and services as it deems necessary to assist with its operations and to study and develop potential transportation projects, and is responsible to insure accurate financial records are maintained using sound and acceptable financial practices; and

WHEREAS, close scrutiny of the Mobility Authority's expenditures for goods and services, including those related to project development, as well as close scrutiny of the Mobility Authority's financial condition and records is the responsibility of the Board and its designees through procedures the Board may implement from time to time; and

WHEREAS, the Board has adopted policies and procedures intended to provide strong fiscal oversight and which authorize the Executive Director, working with the Mobility Authority's Chief Financial Officer, to review invoices, approve disbursements, and prepare and maintain accurate financial records and reports; and

WHEREAS, the Executive Director, working with the Chief Financial Officer, has reviewed and authorized the disbursements necessary for the month of May 2023 and has caused financial statements to be prepared and attached to this resolution as Exhibit A; and

NOW THEREFORE, BE IT RESOLVED, that the Board of Directors accepts the financial statements for May 2023, attached hereto as Exhibit A.

Adopted by the Board of Directors of the Central Texas Regional Mobility Authority on the 26<sup>th</sup> day of June 2023.

Submitted and reviewed by:

  
\_\_\_\_\_  
James M. Bass  
Executive Director

Approved:

  
\_\_\_\_\_  
Robert W. Jenkins, Jr.  
Chairman, Board of Directors

#### May Averages

Average Invested Balance	\$10,766,441,062.53
Average Monthly Yield, on a simple basis	5.0471%
Average Weighted Maturity (1)	20 Days
Average Weighted Life (2)	45 Days

#### Definition of Weighted Average Maturity (1) & (2)

(1) This weighted average maturity calculation uses the SEC Rule 2a-7 definition for stated maturity for any floating rate instrument held in the portfolio to determine the weighted average maturity for the pool. This Rule specifies that a variable rate instruction to be paid in 397 calendar days or less shall be deemed to have a maturity equal to the period remaining until the next readjustment of the interest rate.  
 (2) This weighted average maturity calculation uses the final maturity of any floating rate instruments held in the portfolio to calculate the weighted average maturity for the pool.

The maximum management fee authorized for the TexSTAR Cash Reserve Fund is 12 basis points. This fee may be waived in full or in part in the discretion of the TexSTAR co-administrators at any time as provided for in the TexSTAR Information Statement.

### NEW PARTICIPANTS

We would like to welcome the following entities who joined the TexSTAR program in May:

\* City of Early \* Paradise Independent School District

### HOLIDAY REMINDER

In observance of **Juneteenth National Independence Day, TexSTAR will be closed on Monday, June 19, 2023.** All ACH transactions initiated on Friday, June 16th will settle on Tuesday, June 20th. Please note that on Friday, June 16th, TexSTAR will close at its normal time.

In observance of **Independence Day, TexSTAR will be closed on Tuesday, July 4, 2023.** All ACH transactions initiated on Monday, July 3rd will settle on Wednesday, July 5th. Notification of any early transaction deadlines on the business day preceding this holiday will be sent by email to the primary contact on file for all TexSTAR participants.

### ECONOMIC COMMENTARY

#### Market review

Markets remained on edge in May even as incoming data continued to highlight near-term economic momentum. Early in the month, some smaller banks were in the news feeding the uncertainty regarding U.S. regional banks. U.S. debt ceiling concerns increased as investors worried about what would happen if there were no resolution before the X-date, the date on which the government would no longer be able to pay its bills. The month began with the Federal Open Market Committee (FOMC) voting to raise the federal funds rate by 0.25% to a target range of 5.00%-5.25%, the highest level since June 2006. Compared to its first meeting of the year just three months before, the statement language shifted from “ongoing increases will be appropriate” to a data-dependent approach “in determining the extent to which additional policy firming may be appropriate”, hinting the committee is ready to pause rate increases. Notably, during the press conference, Chairman Powell pushed back against the potential for rate cuts later this year given the committee expects inflation to decline at a slower pace than what markets anticipated. While below the pace of the previous quarter, IQ23 real GDP was revised up, growing by a 1.3% annualized rate. Consumption and government spending looked strong, growing at annualized rates of 3.8% and 5.2%, respectively. However, most of the consumption gains were attributed to a strong January. That said, the U.S. consumer continued to drive the economy with the strong 0.5% increase in real spending in April. Also in April, Inflation temporarily bounced, with headline and core CPI both rising by 0.4% month-over month (m/m), roughly in line with expectations. This brought the year-over-year gains to 5.0% and 5.5% on a seasonally adjusted basis, respectively, like the previous month's readings but down sharply from last summer's peaks of 8.9% and 6.6%.

<b>TOTAL</b>	<b>\$ 10,704,350,596.85</b>	<b>\$ 10,702,720,616.60</b>

Market value of collateral supporting the Repurchase Agreements is at least 102% of the Book Value. The portfolio is managed by J.P. Morgan Chase & Co. and the assets are safekept in a separate custodial account at the Federal Reserve Bank in the name of TexSTAR. The only source of payment to the Participants are the assets of TexSTAR. There is no secondary source of payment for the pool such as insurance or guarantee. Should you require a copy of the portfolio, please contact TexSTAR Participant Services.

## TEXSTAR VERSUS 90-DAY TREASURY BILL

This material is for information purposes only. This information does not represent an offer to buy or sell a security. The above rate information is obtained from sources that are believed to be reliable; however, its accuracy or completeness may be subject to change. The TexSTAR management fee may be waived in full or in part at the discretion of the TexSTAR co-administrators and the TexSTAR rate for the period shown reflects waiver of fees. This table represents historical investment performance/return to the customer, net of fees, and is not an indication of future performance. An investment in the security is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. Although the issuer seeks to preserve the value of an investment of \$1.00 per share, it is possible to lose money by investing in the security. Information about these and other program details are in the fund's Information Statement which should be read carefully before investing. The yield on the 90-Day Treasury Bill ("T-Bill Yield") is shown for comparative purposes only. When comparing the investment returns of the TexSTAR pool to the T-Bill Yield, you should know that the TexSTAR pool consists of allocations of specific diversified securities as detailed in the respective Information Statements. The T-Bill Yield is taken from Bloomberg Finance L.P. and represents the daily closing yield on the then current 90-Day T-Bill. The TexSTAR yield is calculated in accordance with regulations governing the registration of open-end management investment companies under the Investment Company Act of 1940 as promulgated from time to time by the federal Securities and Exchange Commission.

## *ECONOMIC COMMENTARY (cont.)*

Shelter remained the largest contributor, although owners' equivalent rent increased at a softer pace, while used vehicle and gasoline prices also contributed. However, the Manheim Used Vehicle Index fell in April, suggesting that the upward pressure from used cars will be temporary. Similarly, PCE held firm with both the headline and core measures rising by 0.4% m/m. The disinflationary trend remained well established, as April marked the 10th consecutive month of slower y/y inflation, and y/y headline CPI could fall to 3.5% by June. The May Jobs report highlighted continued resilience in the labor market, but divergent results from the household and establishment surveys warrant some skepticism toward the strong headline figures. Nonfarm payrolls rose by a stronger than expected 339K, far surpassing expectations of 195K, while upward revisions to March and April helped strengthen the report. That said, the household survey looked weaker, as the number of employed people fell by 310K and the unemployment rate increased from 3.4% to 3.7%. Wage growth continued to moderate from its peak, rising by 4.3% y/y. In addition, demand for labor was still very strong, as there are still approximately 1.8 job openings for every job seeker. The basket of recent labor market data has shown mixed signals, but the overall trend is still softening, with voluntary quits falling, unemployment claims slowly rising and hiring intentions falling. As the month progressed, concerns regarding the debt ceiling limit intensified with Secretary Yellen's early June anticipated X-date fast approaching and increased political partisanship causing negotiations to falter. Given the growing polarization in Congress, both Fitch and DBRS placed the United States' long-term AAA rating on review for downgrade, reflecting the risk that Congress would fail to increase or suspend the debt ceiling limit before the X-date.

Finally, over Memorial Day weekend, President Biden and Speaker of the House Kevin McCarthy agreed on a deal to suspend the debt ceiling until January 2025. The debt ceiling drama effectively ended in the first few days of June as both the House and Senate passed the Fiscal Responsibility Act, suspending the debt ceiling, in return for spending caps on most nondefense spending categories in 2024 and 2025. President Biden quickly signed the bill into law avoiding a technical default. Treasury yields rose as a more resilient economy and labor market increasingly suggest the Fed will likely maintain its restrictive policy for longer. Dislocations in short U.S. Treasury bill yields increased as the X-date loomed, with one-month T-bill yields rising almost 140 bps before normalizing in the final days of the month to end at 5.16%, up 98 bps. Three-month T-bill yields increased 35 bps to 5.40% and six-month T-bill yields rose 42 bps to 5.44%.

### **Outlook**

Now, more than a year into the Fed's fastest rate hiking cycle in over 30 years, the U.S. economy has yet to enter a recession. Relative strength in recent economic data and corporate earnings has painted a brighter picture of economic activity that has markets rethinking the recession narrative. In the last week of May in particular, consumer spending and initial jobless claims highlighted continued economic resilience. Consumer spending came in stronger than expected, rising 0.8% m/m, while initial claims came in below expectations at 229K along with a meaningful downward revision to the prior week's data. Moreover, recent stabilization in regional bank deposit outflows has helped calm worries of a broader fallout in the banking sector. As such, markets appear to be taking the Fed's guidance of no rate cuts in 2023 more seriously. The federal funds futures market had expected three full rate cuts in 2023 following May's FOMC meeting, but now only expects one full cut by year-end. Furthermore, a hike in June seemed improbable earlier in May, but the May labor market report now puts another Fed hike back on the table, with markets now roughly assigning one additional rate hike by July.

However, this resilience could be short-lived as the economy and inflation resume a slowdown, so yields may struggle to move higher from current levels. Looking to 2024 and beyond, both markets and the Fed expect rates to come down meaningfully as leading indicators continue to point downward. That said, a hard landing seems to have a lower probability, but our base case of recession remains, and an "average" recession can still be quite painful. The market has now moved past the debt ceiling, and the U.S. banking crisis appears to be behind us. Economic growth is slowing, but it will take time for a recession to play out.

**GENERAL MEETING OF THE BOARD OF DIRECTORS  
OF THE  
CENTRAL TEXAS REGIONAL MOBILITY AUTHORITY**

**RESOLUTION NO. 23-021**

**APPROVING THE BUDGET FOR FISCAL YEAR 2024**

WHEREAS, the Central Texas Regional Mobility Authority (CTRMA) was created pursuant to the request of Travis and Williamson Counties and in accordance with provisions of the Transportation Code and the petition and approval process established in 43 Tex. Admin. Code § 26.01, *et. seq.* (the “RMA Rules”); and

WHEREAS, prudent management and fiscal oversight are overriding objectives of the CTRMA Board of Directors (“Board”); and

WHEREAS, during the course of the year, CTRMA may issue one or more series of revenue bonds for the development of additional projects and issue refunding bonds as market opportunities arise; and

WHEREAS, it is necessary and desirable to develop and adopt a budget for CTRMA operations for each fiscal year; and

WHEREAS, the Executive Director and staff have developed and recommend that the Board approve the budget for fiscal year 2023-2024 (the “FY 2024 Budget”) attached as Exhibit A; and

WHEREAS, the Board has considered adopting a cost-of-living adjustment for retirees receiving a pension as required by Policy Code § 101.0631(b) and has opted to defer potential action on this item to a subsequent Board meeting this calendar year.

NOW THEREFORE, BE IT RESOLVED that the Board hereby approves the FY 2024 Budget attached as Exhibit A; and

BE IT FURTHER RESOLVED that the FY 2024 Budget may be amended from time-to-time by approval of the Board; and

BE IT FURTHER RESOLVED that the Executive Director, or his designee, is hereby authorized to commit funds for non-project related services up to the amounts set forth in the FY 2024 Budget; and

BE IT FURTHER RESOLVED that the Executive Director is directed to provide a copy of this resolution with the attached FY 2024 Budget to Commissioners Courts for Williamson and Travis Counties; and

BE IT FURTHER RESOLVED that, by copy of this resolution, CTRMA hereby provides notice to the Commissioners Courts of Travis County, Texas and Williamson County, Texas of contemplated revenue bond issuances as required by Section 370.261, Texas Transportation Code.

Adopted by the Board of Directors of the Central Texas Regional Mobility Authority on the 26<sup>th</sup> day of June 2023.

## Operating Budget Overview

This document contains revenue estimates and departmental spending plans for the fiscal year beginning July 1, 2023 and ending June 30, 2024. The estimated revenues of \$257.2 million includes Operating Revenue of \$231.1 million and Other Revenue of \$26.1 million. Total estimated operating expenses are \$168.7 million, inclusive of \$96 million of bond and loan debt service. After consideration of all other inflows and outflows, sufficient funds remain to meet the cash reserve requirements of the Board policy described in this section.

The CTRMA Strategic Plan. (see graphic below) serves as the guiding document in the operation of the CTRMA, providing a roadmap to help assure alignment with our mission to “implement innovative, multi-modal transportation solutions that reduce congestion and create transportation choices that enhance quality of life and economic vitality”.

## Operating Budget Overview

---

Overview. This budget is influenced by several factors including our Strategic Plan, projects under development, under construction and under operation: the existing and projected growth in the region, the regional economic conditions and projections; and our goal to maintain and improve customer service levels. In addition to the department level budget estimates, this document includes the Authority's Operating Capital Budget, System Operating Budget and Debt Service Schedule for FY 2024.

The major initiatives anticipated in this budget are to:

- Champion regional coordination by partnering with major transportation providers to promote a coordinated mobility system;
- Research, develop and implement opportunities for improving tag revenue and pre-paid account revenue collections;
- Install key intelligent transportation system (ITS) assets to assist customers in making informed decisions and convey future planning efforts;
- Continue work towards a seamless toll experience using one transponder when traveling on toll roads throughout the United States;
- Complete migration to the data platform to minimize reliance on any one vendor for transaction and revenue processing and integrity;
- Expand violation enforcement to mitigate revenue loss and enhance collections;
- Evaluate back-office solutions for improvement of the video toll revenue collection program;

Each department has articulated a Strategic Plan connection between their initiatives and goals for the upcoming year in their narrative section.

### Revenues

The revenue estimate for FY 2024 of \$257.2 million is an approximate 39% increase over the FY 2023 budget. The revenues were projected using the most recent System Transaction and Revenue (T&R) estimates, historic data, and recent transactions. The Authority believes these projections are reasonable. Included, are non-system revenues from MoPac Express of \$14.3 million, interest income, grant revenues, and miscellaneous revenue made up for the overhead remitted to CTRMA for the management and oversight of the Travis County road projects. (Note: the overall revenue estimate is not reflective of a possible FY 2024 Board approved toll rate increase.)

### Expenses

Expense estimates for FY 2023 are \$168.7 million, representing a 19.7% increase over the FY 2023 budget. In addition to \$96 million in debt service, also included are loan payments to the Texas Department of Transportation and contribution amounts to the Capital Area Metropolitan Planning Organization Regional Infrastructure Fund.

## Operating Budget Overview

---

### Operating Capital Budget and Capital Improvement Program

The operating Capital Budget of \$31.9 million includes data platform system enhancements, roadway violator detection technology, a future headquarters property, safety technology and expansion of the traffic incident management center.

The Renewal and Replacement budget of \$36.4 million includes roadside systems (ETSC) implementation, existing system upgrades, metal beam guard fence improvements, a wall monitoring system, maintenance yard expansion and improvements, and other paving and safety improvements along the corridors.

The Capital Improvement Program schedule reflects current and future construction projects. Each of these projects are in various stages of planning, development, or construction, and may have various sources of funding.

### Future Projections, Cash Flow and Debt Service Coverage

Cash flow is closely monitored as new projects are studied and vetted prior to becoming active projects. While the projected expenses in the budget exceed estimated revenues, when non-cash expenses are removed and other funding sources are considered, the current projections result in a net cash inflow sufficient to meet the Board cash reserve policy. The cash flow projections are utilized to anticipate cash flow requirements as well as ensure that we remain in compliance with trust indentures, debt service coverage requirements and cash reserve policies. The FY 2024 adopted budget provides for debt service coverage levels sufficient to meet the requirements of the trust indentures of 1.25 for Debt Service Senior Lien Bonds and 1.20 for Debt Service Subordinate Lien Bonds.

### Reserve Fund Policy

In 2010, the Board of the Mobility Authority approved the establishment of a reserve fund intended to ensure that the authority maintain adequate funds to satisfy its outstanding financial commitments and operational requirements in the event of unforeseen circumstances or events. The board recognizes that establishment and maintenance of sufficient reserve funds is of particular importance in light of the authority's dependence upon discretionary user fees as its primary revenue stream. The goal of the authority is to maintain twelve months of funds sufficient to pay, maintain, or satisfy all required debt service, debt service coverage, contractual financial commitments, and operational requirements (collectively, "Funding Requirements") as a reserve fund; provided, however, that the executive director shall have the authority to take action resulting in a reduction of the reserve fund to a minimum of nine months of funding sufficient to pay, maintain, or satisfy all Funding Requirements if he determines that such action is necessary, in the best interest of the authority, and will not adversely affect the authority's financial stability. The FY 2024 budget remains in compliance with the Board policy of maintaining unrestricted cash reserves to cover 12 months of cash expenses.

## Administration

---

The primary role of the Administration Department is to manage the agency, its Departments, programs, and projects in alignment with the Strategic Plan. The Agency's mobility innovation efforts and general support for the Board of Directors is also included in this Department.

With the complexity of the Mobility Authority's roadway toll and technology systems, it is imperative that the toll and roadway systems have the capacity to effectively support both our existing and future facilities. Significant effort will be focused on the modernization of the toll and roadway technology systems and to deploy innovative mobility technologies. This is all part of an ongoing effort to maximize the safety and efficiency of our roadways using technology, to find new ways to communicate with our customers and key stakeholders, and to provide timely and relevant information needed for customers to make effective travel decisions.

### **Goals and Initiatives:**

- Champion regional coordination by partnering with major regional mobility providers such as Travis/Williamson/Hays Counties, TxDOT, CAMPO, Capital Metro, City of Austin, and Capitol Area Council of Governments to promote a coordinated, regional mobility system.

*Strategic Goals: Maintain and enhance our strategic partnerships to advance the common goals we share with our regional partner agencies.*

- Help evaluate and deploy (in collaboration with the Operations Department) next generation of innovative technologies and mode choice (i.e. connected/automated vehicle systems, etc.) to maximize the safety and efficiency of Mobility Authority roadways.

*Strategic Goals: Build, operate and maintain toll and non-toll roads that reduce congestion and connect our region in innovative and safe ways.*

*Make targeted investments in other transportation solutions that connect to our system and enhance quality of life.*

## Administration

---

- Explore research opportunities to evaluate customer interactions and behavior to enhance the customer's experience.

*Strategic Goals: Build, operate and maintain toll and non-toll roads that reduce congestion and connect our region in innovative and safe ways.*

*Make targeted investments in other transportation solutions that connect to our system and enhance quality of life.*

## Finance

---

The primary role of the Finance Department is to provide financial oversight and stewardship of the Mobility Authority. Under direction of the Chief Financial Officer (CFO), the department is responsible for recommending and communicating strategic financial planning to the Executive Director, Board of Directors, and departments of the Authority. The department also provides all accounting, financial, budgeting, and debt management activities for the Authority. The major functional areas of the Finance Department are:

- Financing. Provide direction and leadership on all Mobility Authority project financing. Identify and research opportunities to capitalize on the ability to leverage market conditions for debt restructuring.
- Budget. Assist each Department in developing, proposing, and managing the annual budget and capital plan.
- Accounting. Responsible for maintaining all accounting records including processing payroll, accounts payable, reconciling records and monthly/annual financial reporting. Provide all operating and capital project accounting. Assist external auditors with annual financial and compliance audits.
- Treasury. Responsible for cash management and investment of all Authority funds. Work closely with the Trustee to manage cash flow and invest funds in accordance with the Texas Public Funds Investment Act and the Authority's Investment Policy. Maintain close relationship with banking providers.
- Compliance. Ensure proper and timely reporting to adhere to requirements, best practices, and standards for regulators, investors, and lenders.

### **Goals and Initiatives:**

- Evaluate innovative funding mechanisms for sourcing the Authority's projects and optimizing its debt portfolio.
- Maintain and improve bond ratings, reporting transparency and compliance.
- Develop five-year financial forecast and five-year capital plan.
- Review and recommend best practice financial policies including an appropriate unrestricted cash reserve.
- Maintain and increase Debt Service Coverage ratios.

*Strategic Goals: Implement financial strategy and policies that prioritize long-term system health and growth, a decreased reliance on debt, and good financial stewardship, Develop and adhere to a system-wide capital improvement plan*

## Operations

---

The Operations Department supports the Mobility Authority's regional mobility, economic vitality, sustainability, and innovation strategic goals. The Operations Department is responsible for all aspects of revenue collection, customer service and traffic & incident management. The Operations Department serves its internal and external customers through the provision of the following core services:

- **Customer Care.** Ensure a quality experience for the Mobility Authority's customers. Solve complex customer service issues. Implement efficient solutions that promote self-service and increase efficiency.
- **Toll Collection.** Oversee the daily operation of collecting toll revenue. Monitor transaction reconciliation revenue metrics. Identify and implement opportunities for collecting revenue earlier and more often.
- **Traffic & Incident Management.** Coordinate the resources of partner agencies and private sector companies to detect, respond to, and clear traffic incidents as well as debris removal as quickly as possible to reduce the impacts of incidents on safety and congestion.
- **Traveler Communication.** Alert approaching vehicles to problem areas by updating social media and on road messaging tools to better inform drivers. Provide information regarding alternate routes for vehicles, alleviating the effects of bottlenecks or incidents.
- **Violation Enforcement.** Oversee the Mobility Authority's violation enforcement program to mitigate revenue leakage and protect our stakeholder's investment.

The predominant themes of the Operations Department's FY 2024 budget are to increase revenue through improved pre-paid account penetration and collections in the first 60 days of the Pay By Mail lifecycle; mitigate leakage; and improve our customer service experience. Activities this fiscal year will center around implementing new customer service features; deploying messages outlining the benefits of pre-paid account payment mechanisms; enforcing toll evasion remedies; communicating up to date and accurate travel information to stakeholders through various channels; evaluating options for our Pay By Mail program; and supporting regional and national interoperability efforts.

## Operations

---

### *Goals and Initiatives:*

- Customer Care: Invest in customer support automation. Become an accountability partner with our customers. Implement mobile friendly customer service solutions.

*Strategic Goal: Innovation, Service, and Stewardship*

- Key Solicitations: Evaluate back-office solutions as the Authority contemplates the future of its video toll collection program.

*Strategic Goal: Innovation and Stewardship*

- Revenue Collection: Explore opportunities to improve pre-paid account revenue collections. Mitigate revenue leakage by focusing on collecting revenue within the first 60 days of billing. Implement initiatives to reduce revenue collection costs.

*Strategic Goals: Innovation, Service, and Stewardship*

- Toll Interoperability: Continue work to provide a seamless toll experience using one transponder when traveling on toll roads throughout United States. Increase the number of electronic toll tags accepted on Mobility Authority facilities, increasing out of state revenue collections.

*Strategic Goals: Collaboration, Innovation, Service, and Stewardship*

- Traveler Communication: Deploy technology that alerts approaching vehicles to incidents and other issues that may impact their travel. Provide information regarding alternate routes for vehicles, alleviating the effects of bottlenecks or incidents.

*Strategic Goals: Collaboration, Innovation, and Safety*

- Violation Enforcement: Bolster the Authority's enforcement program to encourage prompt payment and ensures payment fairness for all customers.

*Strategic Goals: Service and Stewardship*

## Information Technology

---

The IT Department is responsible for maintaining the integrity of the agency's toll system, supporting revenue collection activities, and safeguarding the agency's internal and communication network. The IT Department also supports the agency's emerging technology efforts by lending technical expertise and implementing approved initiatives.

The core services provided by the Information Technology Department in support of its internal and external customers are outlined below:

- Information Technology (IT) Ensure the integrity of the Mobility Authority's computers, storage, network and other physical devices, infrastructure and processes used to create, process, store, secure and exchange all forms of electronic data.
- Intelligent Transportation Systems (ITS) Deploy various ITS technologies on Authority roads to detect, manage and report on roadway incidents. ITS technologies also assist in improving safety and the customer experience for our roadways through early detection and notification to public safety agencies.
- Toll Systems Oversee daily operation of the electronic toll collection systems operations. Monitor system performance and transaction reconciliation. Oversee system maintenance to ensure accuracy and dependability. Manage new toll collection system installation while maintaining current operational metrics.
- Transaction Processing. Manage the workflows associated with transaction processing, product management, discount management, billing management and product pricing. Ensure that transactions process in a predictable, consistent manner in compliance with the mobility authority's business rules and it in compliance with national interoperability requirements. Monitor the data exchange operations support functions. Manage the Transaction Operations Management Solution (TOMS). Oversee reporting and analytics processes.

The IT Department will continue to set a solid foundation for the Mobility Authority's future. These efforts include continued development of the Data Platform System, the integration point for all transaction processing and data analytics; managing the replacement of the Authority's aging toll systems; upgrading the agency's communication infrastructure; and supporting regional and national interoperability efforts.

## Information Technology

---

### **Goals and Initiatives:**

- Mobility Technology: Install key intelligent transportation system (ITS) assets to assist customers in making informed decisions and inform future planning efforts. Continue to research new and innovative ways to communicate to the Public and the our traffic operators any actionable event on the roadways to deliver a better and safer experience for our customers.

*Strategic Goals: Deliver on Commitments to our Customers and our Investors, Explore Efforts that Extend Beyond Roadways, Explore Transformative Technology and Adopt Industry Best Practices*

- Toll Interoperability: Continue work to provide a seamless toll experience using one transponder when traveling on toll roads throughout United States. These efforts will increase the number of electronic toll tags accepted on Mobility Authority facilities, increasing the potential for out of state revenue collections.

*Strategic Goals: Employ a Collaborative Approach to Implementing Mobility Solutions, Deliver Responsible Mobility Solutions that Respect the Communities We Serve, Deliver on Commitments to our Customers and our Investors*

- Data Platform System (DPS): Continue to develop and innovate the Data Platform System for transaction processing. This system will be the main transaction processing system to receive the toll transactions from the roads and apply Mobility Authority business rules for sending transactions to various third parties (interoperability and Pay By Mail). The Mobility Authority will have access and insights into the toll data in new and innovative ways that will offer further insight into traffic and customer trends.

*Strategic Goals: Employ a Collaborative Approach to Implementing Mobility Solutions*

## Communications

---

The primary role of the Communications Department is the development and facilitation of programs that advance the mission of the agency through strategic interaction with customers, stakeholders, elected officials, and the media. These efforts are generally classified into four general areas of specialization that include public/government relations, community engagement and outreach, and customer service, and marketing/communications.

- Public/Government Relations. The business function of public relations and communications involves the strategic communications process that builds mutually beneficial relationships between the Mobility Authority and its constituents. Constituents include customers, local businesses, strategic partners, governmental organizations, community and civic groups, citizens as well as the driving public. Activities include key message development, media relations, development of communication tools such as publications, presentations, collateral material, videos, websites, and social media to inform and educate customers and stakeholders about the transportation issues in the region and the work of the Mobility Authority.
- Community Development and Outreach. The Mobility Authority provides public outreach direction and support on all Mobility Authority projects under development and in operation, represents the agency's interests in these projects and maintains working relationships with all stakeholders including government entities, neighborhoods, community organizations and the public. Another major communication function is the coordination and promotion of events such as groundbreakings, ribbon cuttings, community appreciation events, and stakeholder presentations.
- Customer Support and Service. Activities in this area revolve primarily around the strategic communication of the Mobility Authority's tolling policies, programs and processes on its facilities including 183A Toll, 290 Toll, 71 Toll, the MoPac Express Lane, 45SW Toll, and 183 Toll. Major activities include educating the public on toll operations, the Pay By Mail program, the Habitual Violator program, the Veterans program, payment options, as well as the benefits and cost savings of electronic tags. The communication function also handles customer and stakeholder inquiries and assists with dispute resolution related to agency operations.

Marketing/Communications. Activities in the marketing area revolve primarily around the strategic branding of the value of tolling in infrastructure funding, the tolling landscape in Central Texas, and the Mobility Authority's role in the region. Position Mobility Authority as thought leaders and action implementers of innovative transportation solutions.

## Communications

---

***Strategic Goals – the communications department’s role is to support and promote the Agency and individual departments vision and execution of the strategic plan.***

*Build, operate and maintain toll and non-toll roads that reduce congestion and connect our region in innovative and safe ways.*

*Develop and adhere to a system-wide capital improvement plan.*

*Implement financial strategy and policies that prioritize long-term system health and growth, a decreased reliance on debt, and good financial stewardship.*

*Maintain and enhance our strategic partnerships to advance the common goals we share with our regional partner agencies.*

*Make targeted investments in other transportation solutions that connect to our system and enhance quality of life.*

### ***Initiatives***

- Develop and implement a comprehensive campaign to increase awareness of payment options, including electronic tags, for Mobility Authority facilities.
- Develop and implement a targeted campaign to educate drivers about the Habitual Violators Program and increased enforcement efforts on Mobility Authority facilities.
- Coordinate communications and comprehensive, effective public outreach for the development phase for projects positioned for potential development.
- Implement community outreach program for construction projects such as the Barton Skyway Ramp Relief project, 183A Phase III and the 183 North Mobility Project. The outreach program includes activities designed to establish positive relationships with residents, community leaders, drivers and nearby stakeholders/residents. The outreach strategy will result in faster, more robust responses to community/business/key stakeholder requests/inquiries and ensure that the public is kept informed.
- Remain a valuable resource on regional mobility issues and a steadfast advocate for short- and long-term transportation solutions. The communication strategy will provide a mechanism for keeping Central Texans informed of the latest in transportation technology and solutions that will help relieve congestion and improve quality of life.

## Communications

---

- Continue to implement programs designed to maintain positive relationships with community leaders, drivers, businesses and neighbors regarding construction activities and active congestion management.
- Identify opportunities to enhance awareness of the Mobility Authority and our commitment to customer service, driver safety, construction safety, and congestion management on existing roadways (signage, television and social messaging, customer appreciation activities, etc.).
- Develop, produce and distribute all Agency reports and materials, including the Annual Report, Monthly Board Meeting Updates to the Commissioners Courts, quarterly Governor's Reports, the annual project report to the Texas Transportation Commission, economic development reports and the Strategic Plan.
- Continue multi-media (television, videos, podcasts, print, outdoor, editorial, social media) quality of life campaign to help educate the Central Texas community of who the Mobility Authority is and how we plan to help relieve congestion in the region and improve overall quality of life for Central Texans.

## Engineering

---

The role of the Engineering Department is to plan, develop, construct, and maintain major capital improvement projects in Williamson and Travis counties (from initial concept through final construction acceptance and into long term operations and maintenance).

### Capital Improvement Projects

The Engineering Department works extensively internally and externally to develop projects for the agency and region. These efforts include:

- Project Inception and Feasibility. Coordinate with other transportation providers in the region Texas Department of Transportation (TxDOT), Capital Area Metropolitan Planning Organization (CAMPO), City of Austin, City of Cedar Park, Travis County, and Williamson County to assure that all mobility needs are included in the region's Long Range Transportation Plan. Provide feasibility analysis for selected projects to evaluate implementation priority.
- Project Development and Implementation. Develop and implement priority projects based upon preliminary designs, appropriate level of environmental study, and input from regional transportation partners. Evaluate and determine the appropriate project delivery method based on complexity, stakeholders, and financial considerations. Manage the construction of all agency projects through project final acceptance.

Engineering work currently ongoing in support of the agency goals and objectives includes the following projects.

- Projects Under Development (Feasibility, Environmental, or Design Phase)
  - MoPac South Environmental Study: Environmental study phase, with efforts toward receiving an environmental decision started back up in CY 2021, and continued to progress towards an environmental finding anticipated in CY 2024/2025 (dependent on public process).
  - Travis County Roadway Safety Projects (in design): In design, ROW acquisition and utility relocation phases, provide turnkey project management, design, construction, and construction management services for Travis County. Design completed on portions of Travis County program with continued efforts to coordinate ROW acquisition and utility relocation.
  - 290 Phase IV: Continue to coordinate feasibility study with Finance and outside partners.
  - 183A Frontage Roads: Continue to coordinate design and other development activities on TxDOT's frontage road project in CY 2023. Anticipated utility relocation and start of construction in CY 2024.
  - 183A Intersection Improvements: Coordinate environmental and design activities on Cedar Park's innovative intersections at RM 1431 and New Hope in CY 2023 and CY 2024.

## Engineering

---

- Projects Under Construction
  - 183A Phase 3 design-bid-build continues to progress with construction completion expected by early 2025. The undercrossing at SH 29 began middle of FY23 and work continues with retaining walls and excavation for the FY24.
  - 183 North design-build continues in full force with completion of the majority of design work and permitting, and staffing continue to ramp up as the median is completed. Completion expected by early 2026.
  - Work on 183 South open to traffic with final acceptance and project closeout expected in the fiscal year.
  - Barton Skyway Ramp Relief: Completed design phase in CY 2022. Advertising and bidding construction phase of work also occurred CY 2022 and construction started in early CY 2023 and will continue until early CY 2024.
  - Travis County Roadway Safety Projects (in construction): Some projects in the design phase will transition to construction in CY 23 and CY 24 upon completion of ROW acquisition and utility relocation.
  - In addition to the design and construction projects, maintenance projects continue to provide improvements and rehabilitation to the CTRMA facilities, sign replacements and work to improve safety with new cable barrier and metal beam guard fence.

## Ongoing Operational Efforts

- Roadway and Facility Maintenance. Inspect and manage routine roadway and facility maintenance, including all aspects of the roadway within the limits of the right-of-way, excluding the toll collection and toll systems infrastructure (which is maintained by the Operations Department). Develop, design, and manage repair and replacement projects. Roadway maintenance includes assuming responsibility for vegetative maintenance such as mowing, snow and ice operations, incident response, removal of debris and remedial repairs, as needed. The Mobility Authority takes the lead on managing the Performance Based Maintenance Contract (PBMC) with TxDOT reimbursing the agency for its portion of the maintenance responsibilities for shared facilities. Non-capital improvement initiatives are anticipated, including guardrail, cable barrier, bollard replacement and large sign replacement, to maintain safety.

## Engineering

---

### **Goals and Initiatives:**

- Asset Management Program (AMP). Continue to collect data that will help inform budget decisions necessary to project and plan for maintenance and renewal/replacement activities. This includes ongoing annual data collection for pavement condition on operating facilities. As additional data collection efforts are completed, data analysis, and planning for future projects is expected to continue through FY 2024. The program helps provide the Mobility Authority increased ability to plan and implement corridor activities that will help provide higher quality facilities for our users and help improve our forecasting for routine maintenance and repairs.
- Performance Based Maintenance Contract. Engineering department will be focused on implementing the new PBMC contract and providing high level maintenance on all our corridors for FY 2024.
- General Engineering Consultant. The Authority previously maintained a two-consultant model, however based on growth in staffing and project timelines we expect to reduce this to one firm for FY24. The remaining firm's contract continues until December 2024, so a procurement process will begin during the FY24 budget year.

*Strategic Goal: Build, operate and maintain toll and non-toll roads that reduce congestion and connect our region in innovative and safe ways.*

- Work with regional partners to evaluate potential operational, safety, capacity and access improvements. Continue to work with regional partners such as the City of Austin, Travis and Williamson Counties and CAMPO to develop or assist in the development of toll and non-toll roads for the regional community.

## Engineering

---

*Strategic Goal: Develop and adhere to a system-wide capital improvement plan.*

- Continue the development of a long range/future projects plan, a five-year Capital Improvement Plan (including safety enhancements on operating facilities), and a two- year letting schedule for regional projects.

*Strategic Goal: Implement financial strategy and policies that prioritize long-term system health and growth, a decreased reliance on debt, and good financial stewardship.*

- Coordinate with the Finance Department and executive leadership to provide needs, estimates and schedules to assist in implementing the financial strategy.

*Strategic Goal: Maintain and enhance our strategic partnerships to advance the common goals we share with our regional partner agencies.*

- In coordination with the Executive Director, continue to coordinate efforts and planning with our regional partners, including TxDOT, CAMPO, Travis and Williamson Counties Cap Metro and the local municipalities.

*Strategic Goal: Make targeted investments in other transportation solutions that connect to our system and enhance quality of life.*

In coordination with the Executive Director, continue to explore multimodal opportunities with regional partners.

## Engineering

**GENERAL MEETING OF THE BOARD OF DIRECTORS  
OF THE  
CENTRAL TEXAS REGIONAL MOBILITY AUTHORITY**

**RESOLUTION NO. 23-022**

**APPROVING AN INTERLOCAL AGREEMENT WITH WILLIAMSON COUNTY FOR  
HABITUAL VIOLATOR ROAD ENFORCEMENT SERVICES**

WHEREAS, by Resolution No. 18-059 dated October 31, 2018, the Central Texas Regional Mobility Authority (Mobility Authority) Board of Directors (Board) amended the Mobility Authority Policy Code to include the additional level of habitual violator enforcement as prescribed by Chapter 372 of the Texas Transportation Code; and

WHEREAS, pursuant to the habitual violator policy, the Board of Directors may prohibit the operation of a motor vehicle owned or leased by a person determined to be a habitual violator on all Mobility Authority toll roads. Vehicles that continue to operate on a Mobility Authority toll road after the prohibition are subject to ticketing and impounding; and

WHEREAS, Chapter 791 of the Texas Government Code and Chapter 370 of the Texas Transportation Code authorize a regional mobility authority to enter into an agreement with a governmental entity for the performance of governmental functions and services, including administrative functions; and

WHEREAS, by Resolution No. 20-091 dated December 16, 2020, the Board authorized the Executive Director to negotiate and execute an Interlocal Agreement on behalf of the Mobility Authority with Williamson County for habitual violator road enforcement on Mobility Authority facilities through September 30, 2023; and

WHEREAS, the Executive Director and Williamson County have negotiated a proposed interlocal agreement which is attached hereto as Exhibit A.

WHEREAS, the Executive Director requests that the Board authorize the execution of the proposed interlocal agreement with Williamson County for habitual violator road enforcement services on Mobility Authority facilities for a term of one (1) year, with two (2) automatic one (1) year renewals per the terms of the agreement.

NOW THEREFORE, BE IT RESOLVED that the Board hereby authorizes the Executive Director to execute an interlocal agreement with the Williamson County for habitual violator road enforcement services on Mobility Authority facilities a term of one (1) year, with two (2) automatic one (1) year renewals in the form or substantially the same form attached hereto as Exhibit A.

Adopted by the Board of Directors of the Central Texas Regional Mobility Authority on the 26<sup>th</sup> day of June 2023.

STATE OF TEXAS                    §        STANDARD AGREEMENT WITH  
    §        LOCAL GOVERNMENTAL ENTITY  
    §        REGARDING OFF-DUTY  
    §        CONTRACTING OF COUNTY  
 COUNTY OF WILLIAMSON §        LAW ENFORCEMENT DEPUTIES

This interlocal agreement (hereinafter, the “AGREEMENT”) is entered into by and between the local governmental entity set forth on the signature page below (hereinafter, “LGE”) in the State of Texas, and Williamson County, Texas (hereinafter, “COUNTY”) a political subdivision of the State of Texas, and the Williamson County Law Enforcement Agency set forth on the signature page below (hereinafter, “LEA”).

For and in consideration of the permission given by COUNTY for the LGE to contract in a private capacity DEPUTIES of the LEA (hereinafter “DEPUTIES”), while DEPUTIES are not on duty with and for the COUNTY, it is hereby agreed as follows:

1. It is mutually agreed that while the DEPUTIES are working for the LGE, the DEPUTIES’ primary responsibility is the enforcement of Federal and State laws and COUNTY Ordinances or Regulations to protect life and property and to keep the peace. The DEPUTIES cannot enforce policies or rules of the LGE that differ from Federal and State Laws and County Ordinances and Regulations. To the extent applicable, the DEPUTIES shall enforce Texas Transportation Code, Chapter 372, Subchapter C regarding nonpayment of tolls and associated remedies. DEPUTIES are at all times subject to the rules and policies of the LEA. ***LGE expressly acknowledges and agrees that such DEPUTIES are at all times independent contractors of LGE when contracted by the LGE.***
  
2. It is mutually agreed that the COUNTY shall retain the right to withdraw its permission for any individual deputy of the LEA at any time, and to withdraw its permission for all DEPUTIES to work in a private capacity upon 30 days written notice to the LGE. If the permission of the COUNTY is withdrawn for all DEPUTIES to work in a private capacity, the LGE agrees to terminate its contractor relationships with DEPUTIES. The LGE, as part of this AGREEMENT, binds itself to release and hold harmless the COUNTY from any liability or claim for damages in the event such permission is withdrawn by the COUNTY.
  
3. Prior to the beginning of DEPUTIES contracting with the LGE, the LGE shall obtain a comprehensive general liability insurance policy from a company authorized to do business in the State of Texas or intergovernmental risk pool with minimum amounts of Ten Thousand Dollars (\$10,000) per occurrence for property damage, One Hundred Thousand Dollars (\$100,000) per person, and Three

Hundred Thousand Dollars (\$300,000) per occurrence for personal injury. COUNTY SHALL BE NAMED AS AN ADDITIONAL INSURED UNDER THIS COVERAGE. Upon execution of this AGREEMENT, LGE shall provide the COUNTY with insurance certificates evidencing compliance with the insurance requirements herein.

4. The initial term of this AGREEMENT shall begin on October 1, 2023, and shall terminate on September 30, 2024, and will have two additional one (1) year automatic renewals. Either party may terminate this Agreement, for convenience and without cause, by providing thirty (30) days written notice to the other party. Unless such notice is provided, the AGREEMENT will automatically renew on October 1, 2024, and October 1, 2025.
5. State law requires that law enforcement personnel conducting “off-duty” work must be both “full time” and “entitled” to fringe benefits. Tex. Occup. Code Sec. 1702.322(A) & (B)(i). Thus, part-time deputies and “reserve” officers may not conduct “off-duty” work.
6. The COUNTY agrees that each of the DEPUTIES will be properly insured with automobile liability insurance while operating the patrol vehicle in accordance with Section 612.005(b) of the Texas Government Code, and any other applicable laws.
7. COUNTY agrees to invoice LGE for the reimbursement amounts for DEPUTIES’ vehicle usage at the rate of \$13.00 per hour per vehicle (to cover LGE’s fair share of costs for fuel, maintenance, and yearly premiums on automobile insurance). The LGE acknowledges that the above-described reimbursement rate will not totally cover the entire costs incurred by COUNTY for the fully equipped patrol vehicle that is being utilized by such DEPUTIES in the LGE’s Area; provided, however, COUNTY deems such unrecovered costs for the fully equipped patrol vehicle to be of a public benefit to the citizens of Williamson County.
8. LGE agrees to log and maintain all times that vehicles are allotted to off-duty work, whether actually used or parked, for each vehicle used by DEPUTIES on a monthly basis. LGE shall provide such vehicle time records to COUNTY and LEA no later than the end of each quarter (end of month for each of the following: March, June, September, and December). COUNTY will invoice based on the total usage and rate, as set forth in Paragraph 7, and LGE will pay such invoice pursuant Chapter 2251 of the Texas Government Code (“Texas Prompt Payment Act”). Reporting must be submitted to:

LEA’S OFFICE: At the address set forth on the signature page below.

COUNTY: Williamson County Auditor’s Office  
Attn: Finance Director  
710 Main Street, Suite 301  
Georgetown, Texas 78626

9. LGE agrees that it shall pay deputies directly and file 1099 forms with the Internal Revenue Service.
10. Each party to this AGREEMENT, in the performance of this AGREEMENT, shall act in an individual capacity and not as agents, employees, partners, joint ventures or associates of one another.
11. Nothing in this AGREEMENT shall be deemed to waive, modify or amend any legal defense available at law or in equity to any party, its past or present officers, employees, or agents, nor to create any legal rights or claim on behalf of any third party. No party hereto waives, modifies, or alters to any extent whatsoever the availability of the defense of governmental immunity under the laws of the State of Texas and of the United States.

STATE OF TEXAS                    §        STANDARD AGREEMENT WITH  
    §        LOCAL GOVERNMENTAL ENTITY  
    §        REGARDING OFF-DUTY  
    §        CONTRACTING OF COUNTY  
 COUNTY OF WILLIAMSON §        LAW ENFORCEMENT DEPUTIES

This interlocal agreement (hereinafter, the “AGREEMENT”) is entered into by and between the local governmental entity set forth on the signature page below (hereinafter, “LGE”) in the State of Texas, and Williamson County, Texas (hereinafter, “COUNTY”) a political subdivision of the State of Texas, and the Williamson County Law Enforcement Agency set forth on the signature page below (hereinafter, “LEA”).

For and in consideration of the permission given by COUNTY for the LGE to contract in a private capacity DEPUTIES of the LEA (hereinafter “DEPUTIES”), while DEPUTIES are not on duty with and for the COUNTY, it is hereby agreed as follows:

1. It is mutually agreed that while the DEPUTIES are working for the LGE, the DEPUTIES’ primary responsibility is the enforcement of Federal and State laws and COUNTY Ordinances or Regulations to protect life and property and to keep the peace. The DEPUTIES cannot enforce policies or rules of the LGE that differ from Federal and State Laws and County Ordinances and Regulations. To the extent applicable, the DEPUTIES shall enforce Texas Transportation Code, Chapter 372, Subchapter C regarding nonpayment of tolls and associated remedies. DEPUTIES are at all times subject to the rules and policies of the LEA. ***LGE expressly acknowledges and agrees that such DEPUTIES are at all times independent contractors of LGE when contracted by the LGE.***
  
2. It is mutually agreed that the COUNTY shall retain the right to withdraw its permission for any individual deputy of the LEA at any time, and to withdraw its permission for all DEPUTIES to work in a private capacity upon 30 days written notice to the LGE. If the permission of the COUNTY is withdrawn for all DEPUTIES to work in a private capacity, the LGE agrees to terminate its contractor relationships with DEPUTIES. The LGE, as part of this AGREEMENT, binds itself to release and hold harmless the COUNTY from any liability or claim for damages in the event such permission is withdrawn by the COUNTY.
  
3. Prior to the beginning of DEPUTIES contracting with the LGE, the LGE shall obtain a comprehensive general liability insurance policy from a company authorized to do business in the State of Texas or intergovernmental risk pool with minimum amounts of Ten Thousand Dollars (\$10,000) per occurrence for property damage, One Hundred Thousand Dollars (\$100,000) per person, and Three

Hundred Thousand Dollars (\$300,000) per occurrence for personal injury. COUNTY SHALL BE NAMED AS AN ADDITIONAL INSURED UNDER THIS COVERAGE. Upon execution of this AGREEMENT, LGE shall provide the COUNTY with insurance certificates evidencing compliance with the insurance requirements herein.

4. The initial term of this AGREEMENT shall begin on October 1, 2023, and shall terminate on September 30, 2024, and will have two additional one (1) year automatic renewals. Either party may terminate this Agreement, for convenience and without cause, by providing thirty (30) days written notice to the other party. Unless such notice is provided, the AGREEMENT will automatically renew on October 1, 2024, and October 1, 2025.
5. State law requires that law enforcement personnel conducting “off-duty” work must be both “full time” and “entitled” to fringe benefits. Tex. Occup. Code Sec. 1702.322(A) & (B)(i). Thus, part-time deputies and “reserve” officers may not conduct “off-duty” work.
6. The COUNTY agrees that each of the DEPUTIES will be properly insured with automobile liability insurance while operating the patrol vehicle in accordance with Section 612.005(b) of the Texas Government Code, and any other applicable laws.
7. COUNTY agrees to invoice LGE for the reimbursement amounts for DEPUTIES’ vehicle usage at the rate of \$13.00 per hour per vehicle (to cover LGE’s fair share of costs for fuel, maintenance, and yearly premiums on automobile insurance). The LGE acknowledges that the above-described reimbursement rate will not totally cover the entire costs incurred by COUNTY for the fully equipped patrol vehicle that is being utilized by such DEPUTIES in the LGE’s Area; provided, however, COUNTY deems such unrecovered costs for the fully equipped patrol vehicle to be of a public benefit to the citizens of Williamson County.
8. LGE agrees to log and maintain all times that vehicles are allotted to off-duty work, whether actually used or parked, for each vehicle used by DEPUTIES on a monthly basis. LGE shall provide such vehicle time records to COUNTY and LEA no later than the end of each quarter (end of month for each of the following: March, June, September, and December). COUNTY will invoice based on the total usage and rate, as set forth in Paragraph 7, and LGE will pay such invoice pursuant Chapter 2251 of the Texas Government Code (“Texas Prompt Payment Act”). Reporting must be submitted to:

LEA’S OFFICE: At the address set forth on the signature page below.

COUNTY: Williamson County Auditor’s Office  
Attn: Finance Director  
710 Main Street, Suite 301

**GENERAL MEETING OF THE BOARD OF DIRECTORS  
OF THE  
CENTRAL TEXAS REGIONAL MOBILITY AUTHORITY**

**RESOLUTION NO. 23-023**

**APPROVING AN AMENDMENT TO THE AGREEMENT WITH  
KAPSCH TRAFFICCOM USA, INC. FOR IMAGE REVIEW SERVICES**

WHEREAS, performing image reviews of license plates is an essential element of the processing of pay-by-mail transaction for the use of Mobility Authority facilities; and

WHEREAS, by Resolution No. 18-033 dated July 25, 2018, the Board of Directors approved an agreement with Kapsch TrafficCom USA, Inc. for image review services for a term of five (5) years, concluding on July 30, 2023, with two (2) two-year renewal terms; and

WHEREAS, the Executive Director and Kapsch TrafficCom USA, Inc. have negotiated a proposed amendment to exercise the first renewal term, such that the Agreement will conclude on July 30, 2025, and to provide for certain fee adjustments,; and

WHEREAS, the Executive Director requests that the Board authorize the execution of the proposed amendment for image review services, a copy of which is attached hereto as Exhibit A; and

NOW THEREFORE, BE IT RESOLVED that the Board hereby authorizes the Executive Director to execute an amendment with Kapsch TrafficCom USA, Inc. for image review services in the form or substantially the same form attached hereto as Exhibit A.

## **FIRST AMENDMENT TO AGREEMENT FOR IMAGE REVIEW SERVICES**

**THIS FIRST AMENDMENT** is made effective as of the \_\_\_ day of \_\_\_\_\_, 2023, by and between the by and between the Central Texas Regional Mobility Authority (the “CTRMA”) and Kapsch TrafficCom USA, Inc., (the “Contractor”) (collectively, the “Parties,” and each individually, a “Party”).

### **WITNESSETH:**

**WHEREAS**, pursuant to Resolution No. 18-033, approved on July 25, 2018, the CTRMA Board of Directors (the “Board”) approved an Agreement for Image Review Services (the “Agreement”) with the Contractor to provide image review services in connection with CTRMA’s transaction processing and toll collection activities (the “Services”); and

**WHEREAS**, the Parties executed the Agreement, effective July 30, 2018; and

**WHEREAS**, Section II of the Agreement provides for a term of five (5) years, concluding on July 30, 2023, with two (2) two-year renewal terms; and

**WHEREAS**, the Contractor is currently providing the Services; and

**WHEREAS**, the CTRMA has determined that it is in its best interests for the Contractor to continue to provide the Services; and

**WHEREAS**, it is the desire of the parties to exercise the first renewal term, such that the Agreement will conclude on July 30, 2025; and

**WHEREAS**, the Parties in this instrument desire to amend the Agreement to reflect the new pricing and the inclusion of a CPI clause; and

**WHEREAS**, this Agreement has been negotiated and finalized between the parties whereby services will be provided by the Contractor and compensation will be paid by the CTRMA pursuant to the terms hereof.

**NOW, THEREFORE**, and in consideration of the mutual covenants and agreement between the Parties, the Parties hereby agree to the following:

#### **I. AGREEMENT PERIOD.**

Pursuant to Article 2 of the Agreement, the parties agree to exercise the first of two renewal terms, such that the “Agreement Period” shall conclude on July 30, 2025.

#### **II. FEE SCHEDULE.**

Attachment B (Fee Schedule) to the Agreement shall be replaced by the Fee Schedule attached hereto as Exhibit 1.

**III. CPI ADJUSTMENT.**

Article III of the Agreement shall be amended to add Section E. to read as follows:

**E. CPI Adjustment.** Attachment “B”, Fee Schedule shall be adjusted annually on the first of July in accordance with the Consumer Price Index (CPI) for All Urban Consumers for the Austin, Texas metropolitan area (“all items”) as published by the U.S. Department of Labor, Bureau of Labor Statistics.

**IV. REMAINING TERMS AND CONDITIONS.**

Except to the extent expressly modified herein, all remaining terms and conditions of the Agreement by and between the CTRMA and the Contractor shall continue in full force and effect.

**IN WITNESS WHEREOF**, the parties hereto have signed or have caused their respective names to be signed to multiple counterparts hereof as of the effective date first above written.

**GENERAL MEETING OF THE BOARD OF DIRECTORS  
OF THE  
CENTRAL TEXAS REGIONAL MOBILITY AUTHORITY**

**RESOLUTION NO. 23-024**

**APPROVING AN AMENDMENT TO THE COMPLETION CONTRACT WITH ROY  
JORGENSEN ASSOCIATES, INC. FOR PERFORMANCE BASED MAINTENANCE  
SERVICES ON MOBILITY AUTHORITY ROADWAYS AND RELATED FACILITIES**

WHEREAS, by Resolution No. 20-026 dated April 29, 2020, the Board approved a contract with DBi Services, LLC (“DBi”) for performance-based maintenance services on Mobility Authority roadways and related Texas Department of Transportation (“TxDOT”) facilities (the “Contract”); and

WHEREAS, on October 22, 2021, DBi ceased maintenance operations, and on October 23, 2021, the Mobility Authority issued a notice of default to DBi for failure to perform work in accordance with the DBi contract; and

WHEREAS, the DBi contract included certain payment and performance bonds issued by Berkshire Hathaway Specialty Insurance Company (“Surety”) to insure the performance of the maintenance services under the terms of the Contract in the event of a default by DBi; and

WHEREAS, the Surety proposed a completion contractor to take over the original performance-based maintenance services contract through the term of the performance bond period and awarded the completion contract to Roy Jorgensen Associates, Inc. (“Completion Contract”) through June 30, 2023; and

WHEREAS, the Completion Contract provides for an initial 5-year term (60 months), terminating June 30, 2028, with two additional 5-year renewal options to extend the initial term to a maximum of 15 years (180 months); and

WHEREAS, the Executive Director and Roy Jorgensen Associates, Inc. have negotiated a proposed amendment to the Completion Contract, a copy of which is attached hereto as Exhibit A; and

WHEREAS, the Executive Director recommends the execution of the proposed amendment extending the completion contract through June 30, 2028 in an amount not to exceed \$78,430,520.52, including for performance-based maintenance services on all existing and future Authority roadways and adjacent Texas Department of Transportation (TxDOT) frontage roads/general purpose lanes from right-of-way (ROW) to ROW; and

WHEREAS, the Executive Director requests that the Board authorize an additional \$1,000,000.00 as contingency to be implemented as necessary through change orders issued by the Executive Director.

NOW THEREFORE, BE IT RESOLVED that the Board hereby authorizes the Executive Director to execute an amendment with Roy Jorgensen Associates, Inc. extending the Completion Contract through June 30, 2028 in an amount not to exceed \$79,430,520.52, for performance-based maintenance services on all existing and future Authority roadways and adjacent TxDOT frontage roads/general purpose lanes and adjacent right-of-way, in the form or substantially the same form attached hereto as Exhibit A; and

BE IT FURTHER RESOLVED, that the Board authorizes \$1,000,000.00 in contingency funds to be used at the Executive Director's discretion for change orders necessary for the effective implementation of the performance-based maintenance amendment.

Adopted by the Board of Directors of the Central Texas Regional Mobility Authority on the 26<sup>th</sup> day of June 2023.
