- (7) Local government investment pools, which are “AAA” rated by a nationally recognized bond rating company (e.g., Moody’s, S&P, Fitch), and which participation in any particular investment pool(s) has been authorized by resolution of the board, not to exceed 80% of the total investment portfolio less bond funds. The Investment Officers shall monitor the credit rating on all authorized investments in the portfolio based upon independent information from a nationally recognized rating agency. The authority shall take all prudent measures that are consistent with its Investment Policy and Strategy to liquidate an investment that does not have the minimum rating.
